THE NEGRO AS A LEGISLATOR. Special Telegrams to the Petersburg Index. A MAN'S FAITH. How He Looks and How He Acts-His Fluency in Debate-A Burlesque of Legislation.

A correspondent of the New York Tribune is writing a series of letters from South Carolina, giving the results of a careful examination into the present condition of affairs in that unguage, how the colored brother looks

One of the things that first strikes a casual observer in this negro assembly is the fluency of debate, if the endless chatter that goes on there can be dignified with this term. The leading profession or lead by their example the steps of the youth in the path of error and vice; therefore

topics of discussion are all well understands as they are of speed, making complete havor of all cated, and Annie—but I will not fencing, several tobacco barns, outhouses and other property.

I well knew of minimal catefully educated, and Annie—but I will not fencing, several tobacco barns, outhouses and other property. ror and vice; therefore
"Resolved, That we recommend all every legislator, as well as to those of the members of this Conference to re-frain wholly from its baneful influence.

ing. Of course this kind of talk can be extended indefinitely. It is the doggered of debate, and not beyond the reach of the lowest parts. Then the negro is imitative in the extreme. He can copy like a parrot or a monkey, and he is always ready for a trial of, his skill. He believes he can do any thing, and never loses an opportunity.

It is impossible to estimate the losses in its route. The damage both by wind and fire was confined princicity, and barns. Then he puffed at his fragrant Habana, and I left him. Mrs. Grey was in the parlor, and welcomed me with quired now, yet I was scarcely brave in the parlor, and welcomed me with quired now, yet I was scarcely brave in the parlor, and welcomed me with quired now, yet I was scarcely brave in the parlor, and welcomed me with quired now, yet I was scarcely brave in the parlor, and welcomed me with quired now, yet I was scarcely brave mough to disclose it. God forgive him? I said, half aloud, and she caught the words.

"Tell me all—tell me at once, Mr. Arnold." his skill. He believes he can do any thing, and never loses an opportunity to try, and is just as ready to be laughed at for his failure as to be applanded for his success. He is more planded for his success. He is more them, ruining their prospects for farming their prospects for

may 17, 1872. 18 wly

M. D., a regular graduate physici whom we are personally acquainted, for 39 years treated these diseases a for 39 years treated these diseases excusively with astonising results. We believe it our christain duty, after deliberation, to conscientionity request sufferers to use it, especially persons in moderate circumstances who cannot afford to waste money and time on worthless mixtures. As clergy men we seriouly feel the deep responsibility resting on us in publicly endorsing this medicine. But our knowledge sud-experience of its remarkable merit fully justifies our action. Rev. C. H. Ewing, Media, Pennsylvania, suffered sixteen years, became hoperess. Key, Thos Murphy, D. D., Frankford, Philadelolia, Rev. J. B. Pavis, Highistown, New Jersey, Rev. J. S. Buchanan,
